RE: Final Approval  
Carr Fork Project  
ACT/045/004

Dear Mr. Ditto:

The Division is in receipt of the Mined Land Reclamation Contract from Anaconda Copper Company for the Carr Fork Mine in the amount of \$200,000.

Since the 30-day period following publication has ended and all other filing requirements under the Utah Mined Land Reclamation Act have been met, the Division hereby issues final approval for this operation, and mining may now lawfully commence.

Please be reminded of Rule M-8 of the Utah Mined Land Reclamation Act which requires an annual Operations and Progress Report to be filled out and submitted to the Division at the end of each calendar year. Rule M-8 also requires that within 30 days of commencement of mining the operator shall give notice of such commencement to the Division.

Sincerely,

A handwritten signature in cursive script, reading "James W. Smith, Jr.".
